As we enter here
freshmen
anxious and unknowing
we search for knowledge
new friendships
a sense of belonging . . .
years pass quickly
sophomore . . . junior . . .
each year brings change
maturity . . .
days slip by
good times pass
yet are not lost —
for memory still remains
and new changes await us . . .

Warrenton High School had an enrollment of 220 students for the 1967-68 school year. Twenty years ago the total enrollment was 123. In 1963 the school was enlarged. This included not only additional class rooms, library, band room, gym, and activity room, but a breezeway through a lawn, now the Senior Lawn with a garden. We have profited by this accomplishment and others. We can thank everyone who supported and supports our school and the Board of Directors for their interest and concern.

Principal

Mr. Paul Schiller attended Washington State University and Graduated with a Master of Arts degree. He has been employed in many public schools throughout Oregon. He also worked in Washington, California, and Hawaii schools. Before coming to Warrenton he was principal at Newport for eight years.

Opportunity Through Learning

Understanding teachers
trying to be fair,
with advice they give to students
who come and go in four short years.
They teach us and mold us
as best they can
and show us through understanding
how to be mature.
They know our character
and learn as we do
to like and accept each other.
Thinking

learning
gaining knowledge and experience.
they hold the key—and we turn the lock.

The Man in the Glass

When you get what you want in your struggle for self
And the world makes you king for a day.

Just go to the mirror and look at yourself,
And see what THAT man has to say.

For it isn't your father or mother or wife
Who judgement upon you must pass:

The fellow whose verdict counts most in your life
Is the one staring back from the glass.

Some people may think you a straight-shooting chum
And call you a wonderful guy,

But the man in the glass says you're only a bum.
If you can't look him straight in the eye.

He's the fellow to please, never mind all the rest,
For he's with you clear up to the end.

And you've passed your most dangerous, difficult test,
If the man in the glass is your friend.

You may fool the whole world down the pathway of years,
And get pats on the back as you pass,

But your final reward will be headaches and tears
If you've cheated the man in the glass.

Twirp Week

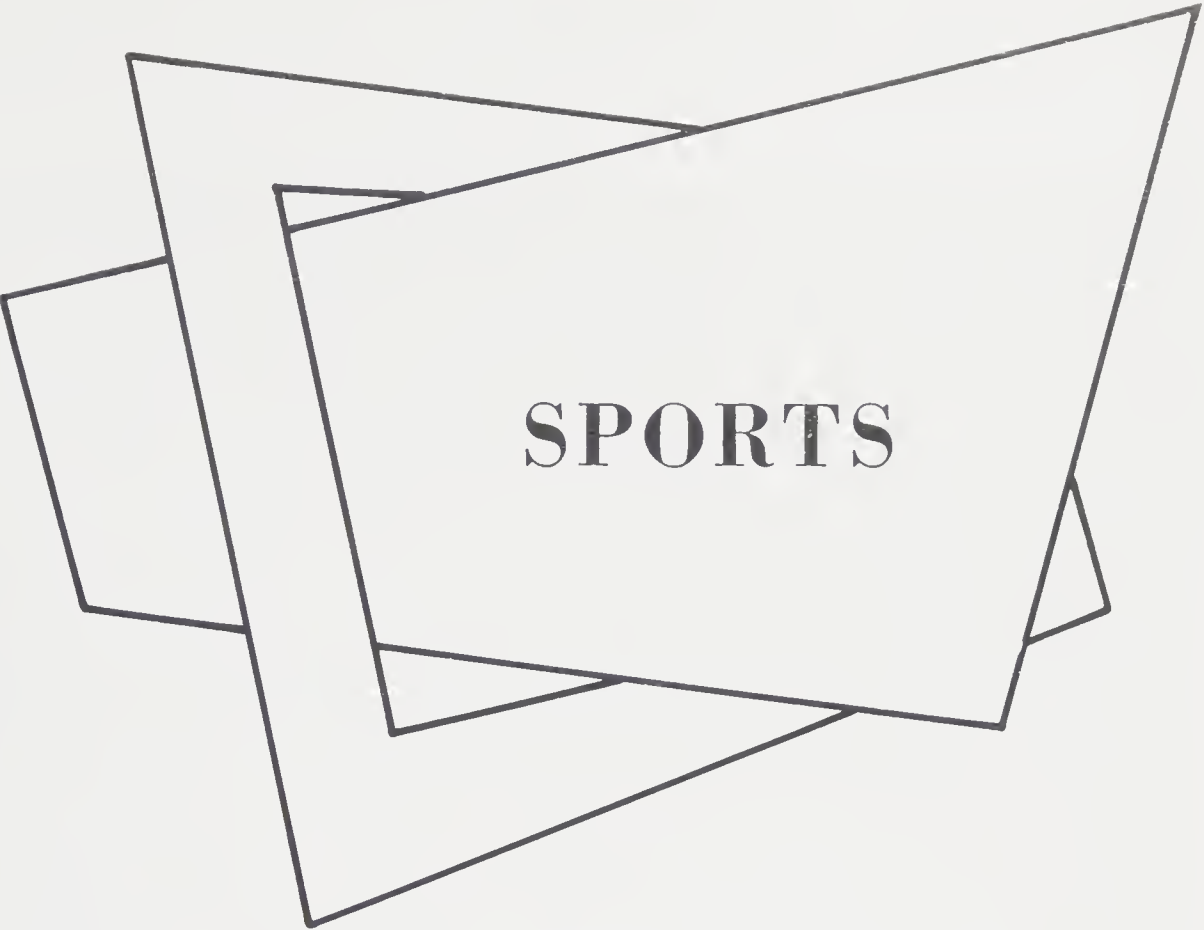

Anyone for a sit in!

Would you believe it was hair-style day?

Twirp week was filled with days of hilarious activity. Monday was "pants days." Tuesday everyone wore bows and ties. Wednesday we had "sweatshirt or long-tailed shirt" day. Thursday we wore hats such as the one modeled at right by Jim DeLoe. Friday was "Hippie Day" complete with sit-ins and demonstrations. The boys grew beards and the girls wore different hair styles throughout the week. To top it off we had the Twirp Dance featuring Mrs. Walt as Mammy Yokum, and Mr. and Mrs. Wasko as Mr. and Mrs. Marryin' Sam. Janet Davis and Alan Johnson reigned as Miss Twirp and Mr. Whiskers.

Too soon it comes . .
graduation
good-bye . . .
questioning the future
clinging to past friends
familiar tasks . . .
we know only what is behind
not that which awaits us
excited and scared by the great world . . .
we are shoved out to meet it
perhaps too rudely . .
but then we will accept
and be accepted
as we did four short years ago . . .
